

PAUL WEBB

I have been a councillor previously, but continuously since being elected in 2015.

I sit on various working groups, including Finance, Community Leisure and Sport and the Recreation Ground Sports Working Group which raised over £600k towards the new Recreation Ground facilities. In addition, I chair the Safety Working Group, which was responsible for the recent Village Traffic Survey.

I am a Trustee of Pauline's Swamp and recently became a member of the Spring Close Management Group. I represent the Council as a Day Centre Trustee, and as a Trustee for Burwell Action for Youth.

I sit on the Community Sports Centre Trustee Group as a Burwell Parish Council observer, and on Burwell Sports Federation for the Council, where I recently became secretary.

In 2018 I formed Burwell Bike Club, which now has approaching 300 members for which I am Vice Chair.
