

LIZ SWIFT

I was born in Coventry and initially trained as a Teacher. On moving to Shropshire with my husband in 1984, I became a Housing Officer with Wrekin District Council which eventually became The Wrekin Housing Trust (A Registered Social Landlord).

While living in Telford, I served on three levels of Local Authority Councils (Parish, Town and Unitary).

I returned with my husband to Cambridgeshire 10 years ago so that we could be closer to aged parents, children, grandchildren and family.

I was co-opted onto Burwell Parish Council in 2013 and have acted as Chair since 2017.

Having always been active in the local Community, I was pleased to join the Carnival Committee early in 2012. I am currently Chair of the Management Committee at Burwell Early Learners and am a Trustee at Burwell Day Centre and the recently formed BAFY. (Burwell Action For Youth).

My hobbies and leisure pursuits include reading and Archery.
