BURWELL TRAFFIC

SURVEY 2018

In 2016 using the results of a survey of residents and parishioners of the Ness Road and associated areas, Burwell Parish Council was successful in obtaining Local Highways Initiative Improvement Funding to improve the safety of pedestrians crossing Ness Road. As a result, Cambridgeshire County Council Highways Department has investigated how safer crossing of Ness Road can be achieved. The results, presented by Highways at recent Burwell Parish Council consultative meeting and presentation, highlighted numerous severe concerns of the villagers. As a result, Cambridge County Council Highways Department cancelled its initial plan/trial and is currently re-evaluating proposals. It will again be requested to consult with villagers and relevant authorities, including police.

For analysis, please provide your full postcode:- _____

The results of this survey will be posted on the Burwell Parish Council Website www.burwellparishcouncil.gov.uk and Burwell Community Facebook Page. Results will also be available from the Parish Council Office.

Thank you for taking part in this survey.

Once completed please return by hand or post by 31st March 2018:-

Burwell Parish Council, The Jubilee Reading Room,

99 The Causeway, Burwell, CB25 0DU

The Parish Council Safety Working Group would greatly appreciate your help in gathering data that will assist us in our aim of making our village and its roads safer for all road users, pedestrians and cyclists of all ages.

All data is strictly confidential and governed by appropriate UK data protection legislation.

Thank you for taking the time to read and complete this short form, both overleaf and back page.

It will only take a few minutes to complete.

Preferably it can be quickly and easily completed online on any device at:
