## WORK AT JUBILEE READING ROOM

Building work is to begin towards the end of May on the Parish Council office at the Jubilee Reading Room. In order to comply with the Disability Discrimination Act, the office needs to have proper access for the disabled. A small extension on the back of the building will also make room for a disabled toilet and some storage space.

During the building works the Parish Council office will remain open as long as possible but might need to operate from an alternative venue for a short time.

## Web-site

The Parish Council Is working on a new and updated website: [www.burwellparishcouncil.gov.uk](http://www.burwellparishcouncil.gov.uk). We are keen to include local groups and organisations in the project and would be happy to include links to local groups. We may be able to provide simple web information pages for groups that are unable to produce their own website. Any organisations interested should contact the parish clerk with their details.

## MANDEVILLE HALL

We would like to remind all users of Mandeville Hall that whilst they are very welcome to use the outside areas, special care should be taken when cricket matches are in progress as there could be a danger from cricket balls.

## VILLAGE SIGN

A number of residents have asked of and when the village sign is to be re-installed. The sign has been fully restored and will be re-installed as soon as the weather improves.
